PROFESSIONAL PROFILE

Information Systems student at Feevale University, with a technical diploma in Information Technology for the Internet from Senac São Leopoldo. I work as an IT intern at SINDIMETAL, providing Windows support, maintaining equipment and supporting day-to-day IT operations. I am seeking a technical support opportunity to help users and resolve problems, with web development knowledge as an additional strength.

PROFESSIONAL EXPERIENCE

IT Intern 2026 – Present

SINDIMETAL

- Technical support in Windows environments.
- Equipment maintenance and support for day-to-day IT operations.
- Development of Meu Valor SINDIMETAL RS, a Full Stack Business Intelligence (BI) web system with a REST API and layered architecture.

Systems Operator 2025 – 2026

Wolfstore

- Development and maintenance of web systems, and technical support.
- Process optimization using JavaScript, Node.js and MySQL.
